## Wildberry Summer Camp

Celebrate the solstice in our fun-filled, week-long summer camp. We will create flower mandalas, potted portable gardens, feed the wildlife and so much more.

Each day we will welcome the sun with simple ritual and sharing of stories. There will be water play, crafting and planting. We will explore nature through walks and discovering the garden around us. Campers will learn to care for and examine plants from veggies to flowers. We will even make strawberry jam!

**Taught by Eugene Waldorf School  
Handwork teachers Karen Tyler and Karen Clarke**

**Grades 1–5 (Ages 6–11)**

**June 21 through 25**

## Circus Arts and Crafts

Come join the fun under the big top! Try your hand at tumbling, juggling, riding a unicycle and more. Work together to build a human pyramid, perform a clown act and play games.

In the afternoon, we will work together to create *your* bag of tricks, design and sew fantastical costumes, hear amazing stories and revel in the world of circus.

**Taught by Eugene Waldorf School  
Movement teacher Erika Finstad and Handwork  
teachers Karen Tyler and Karen Clarke**

**Grades 1–5 (Ages 6–11)**

**July 19 through 23**
