

## Scrip 101

**Scrip** is a major fundraiser for our school. There are many ways to work towards meeting your family's \$250 scrip earnings requirement by shopping at local stores, national chains, buying scrip at school, and registering on eScrip. Some families ask extended family members to join in and help. There are options for people all over the country to help raise money through scrip. Please contact **Rebecca Emerson** if you have any questions about how to make Scrip work for you: **684-6813**.

**Local Scrip:** See the reverse side of this flyer for a comprehensive list of vendors and the percentage that buying their scrip will earn you towards your scrip requirement.

**National Chains:** The lists below show scrip we regularly carry as well as examples of scrip we can order. Due to high shipping costs, *Great Lakes Scrip* orders need to be consolidated. The next order goes in on October 9<sup>th</sup>. Fill out order forms by **3:00 pm on Wednesday, October 8<sup>th</sup>** to be included for this order.

**eScrip:** Visit [www.escrip.com](http://www.escrip.com) and set up an account. Identify Eugene Waldorf School as your recipient and register your credit or debit cards you use to make purchases. Once you have registered your cards, any purchases you make at participating stores will automatically go into the eScrip system and the school will receive credit for the earnings from those stores. Be sure to let the EWS Business Office know if someone else has signed up for eScrip on your behalf.

**Chinook Books:** Buy one book for \$20 and \$10 counts towards scrip earnings... NOTE there will be *no* new Chinook Book in Eugene this year! We have several books from last year still available... good through November 30, 2008.
